Report of Principal and School Improvement Council

This CE Williams Middle School Report Card addresses achievement data, school highlights, and other data that reflect what is happening at the school. The data within this document will be used to continue to improve the existing strong academic program for all children in a safe and inviting school environment. We are committed to creating and providing the best possible educational experiences for each child, and to that end, we have the CCSD Coherent Curriculum, MAPS testing, PBIS, the "Last Book Project" with Merrie Southgate, and Project Lead the Way supporting the CEW educational program. We have continued to build and strengthen the academic options for children with the Arts and Academics After-School Program and with the implementation of the Academy of Reading, a computer program designed to strengthen the students' reading skills.

The challenges we face include fostering high academic achievement for all students, arts' integration, performance opportunities, and a greater use of technology. We have begun work in these areas; we offer high school credit for Algebra I and II, Keyboarding, Spanish I and French I. Seven teachers now have the GT certificate endorsement and are serving our students in social studies and science. The media center's book collection is being enhanced with high-level selections in the non-fiction categories; art students have designed and completed a visual arts piece for the Maritime Harbor Fest; and the action lab is to be rebuilt for student use. The instrumental performing groups—chorus, band, and strings—have been recognized for superior work and have returned from competitions loaded with individual medals and group trophies. The school's Science Decathlon Team placed again in the East Coast competition and competed in the national finals in Raleigh, NC; the RoboCup Junior Team was invited to compete in China this summer. In addition, the following programs have been implemented to meet the needs of our students: BK2 Book Club for students and adults at CEW, the Surf and Turf Club for female students to improve self-esteem, and HERO for African-American males in Grade 8. Overall, we are proud of our students' achievements in academics, the arts, and athletics, and we look forward to continued growth and success for all the children at CE Williams Middle School.
